

# ADVANCED ENERGY SYSTEMS & FUTURE ALCHEMY

Prague, Czech Republic | September 19 to September 24, 2025

BRINGING TOGETHER SOME OF THE WORLD'S MOST VISIONARY MINDS TO EXPLORE THE FUTURE OF CLEAN, TRANSFORMATIVE TECHNOLOGY. JOIN PAUL HARRIS, BOB GREENYER AND INTERNATIONALLY RENOWNED NUCLEAR PHYSICIST DR. JAN RAK.

Breakthrough physics converge to redefine our understanding of energy and matter.

Discover the hidden potential of COLD FUSION and Fractal Toroidal Moments, explore the practical applications of zero-point energy and elemental transmutation, witness how ancient alchemical concepts are merging with modern breakthroughs to address our planet's greatest energy and environmental challenges.

### **Ancient Alchemy: Plant & Fungi Medicines**

In addition to future-focused energy exploration, you'll also experience The Alchemy of Plant Medicines, a hands-on course led by Paul Harris, inventor of Theraphi technology. Learn the Hermetic art of distilling plant and mushroom essences, create your own spagyric tinctures, and discover the energetic principles of the Fungi Kingdom as powerful allies for longevity and transformation.

### **THERAPHI - TESLA TECHNOGY and more...**

Through live experiments, stunning visual data, and direct interaction with these pioneering researchers, you'll gain insights into the true energetic blueprint of the universe. Learn how this knowledge can support both personal healing and planetary regeneration.

### **WORKSHOPS**

Engage in hands-on workshops on alchemy, plant medicines, Theraphi and advanced energy systems.

### **TOUR and FIELD TRIP**

Explore historical sites in Prague, and exploring the funghi kingdom in a pristine forest.

### **RIVER CRUISE**

Enjoy food, music and the surreal beauty of Prague at night time.

### **PARTIES**

Enjoy feasts inspired by the alchemical era.

### **SEMINAR**

Attend the 'Advanced Energy Systems' seminar featuring renowned inventors Bob Greenyer, Paul Harris and Dr Jan Rak.
